Its that time of year again! A new school year is around the corner! We had an excellent summer with many trips, visitors and activities. I hope everyone enjoyed themselves! We are very excited to commemorate our 43rd Anniversary with our Happy Face families, and our entire communities, by hosting a fun and FREE celebration. Please join us on **Saturday, September 9th** at Winchester Public School as we celebrate 43 years of child care! We will have lots of children's entertainers, air bounce rides, BBQ, silent auction, special guests, and much more. Admission, entertainment, and air bounce rides are all FREE. Bring your friends and neighbours! Everyone is welcome!

August was a fun filled month full of lots and lots of water play. The Preschoolers enjoyed watching their tadpoles grow and develop into frogs. They enjoyed naming them and saying goodbye at the end of the day so they could go live in Miss.Christine's pond. The Toddlers have been enjoying exploring the water and even had a toad/frog or two join in the fun. Both programs have also been enjoying watching all the construction happening with the new portable. The Kinders and School agers have been enjoying their fun weeks and all the field trips and activities they participated in.

September is a month of new beginnings. All groups will be back at CPS and will look forward to meeting new friends. The Preschool group will continue their current interest in colours. The Toddler room group will continue to explore with their senses, something they have been very interested in lately.
