## Morrisburg

### Looking Back

June was a busy month! We celebrated preschool graduation, international mud day & chocolate ice cream day! We have lots of fun and engaging activities planned for the summer. A friendly reminder to send a water bottle with your child daily.

### Looking Forward

#### Toddlers:

Recently the Toddlers have been interested in exploring and creating with clay. The children have been practising tool use by using scissors to cut the clay. A variety of materials have been offered to accompany the clay such as pipe cleaners, Pom poms, felt, as well as rocks, mason jar lids and beads. We've noticed the children are using the clay to recreate past events such as a motorbike we saw outside earlier in the day, and worms like we have been looking for and observing the past few weeks! As we continue to offer more materials, we look forward to sharing what the Toddlers create!

#### Preschool:

Thank you everyone who made graduation such a special evening. We will miss everyone but glad that we will still see you during our summer camp program.

#### Kindergarten & School Age:

We welcomed lots of new faces this summer in our summer program. Each week the children will be exploring a different theme. We have lots of special guests coming this month to present to the children.

#### Special Dates:

The Weekly Themes for the Month Include:

July 2 to 5 is Mad, Messy Art

July 8 to 12 is Books! Books! Books!

July 15 to 19 is Master Chef

July 22 to 26 is Busy Builders Week

*We are looking for volunteers to participate in our summer activities. If you are able to come into the site/sites and share your experiences and talents with the children, please contact your child's educator.*

16 Second Street

Morrisburg, ON K0C 1X0

For any changes to your child's attendance please call us at: 613-774-4707 or email us at: [happyface.morrisburg@gmail.com](mailto:happyface.morrisburg@gmail.com)

### *A Note from the Executive Director...*

Dear Parents,

We are looking forward to a fun-filled summer! We will have special activities, guests, and events every week! Please speak with your child's educators and watch Parent Portal for more details!

We would like to thank everyone who donated items for our Facebook auction as well as those who bid on the items. Thanks to your generosity, we raised over \$2000 for our summer programs!

We have booked a field trip to Skywood in August for our kindergarten and school age children. It was their favourite event last year, and we are so excited to be able to return this year! The trip is planned for August 13, with a rain date of August 27.

Due to parent requests, we are offering a lunch program for kindergarten and school age children; please speak to your Lead Educator to get an order form and for more information.

Wishing everyone a wonderful and sunny summer!

Cheryl Firlotte
